

MisDirection

Comfort vs Commission

Matthew 28:16-20

Following Jesus means going where He sends, not staying where it's safe.

1. The Mission Flows from Christ's Authority
2. The Mission Requires Intentional Obedience
3. The Mission Is Sustained by Christ's Presence

Where have you chosen comfort over obedience?

Who is God calling you to reach?

What step of obedience is Jesus asking you to take?
