FAITH IN A FAITHLESS WORLD

Daniel 7

'He who owns the last hour…'

A vision of the world (vv.1-8)

a place of chaos and disorder…

a place of inhumanity…

a place with glimpses of what could have been…

A vision of heaven (vv.9-14)

a place of order…

a place of humanity…

a place of forgiveness…

a place we share in…

a place that speaks a better word to the world…
