Discussion Questions:

1. Describe your passion or lack thereof for running. What is your best running experience?
2. If we believe our aim is to seek the Kingdom of God first, why do we get distracted by secondary things?

Read Matthew 5:23-24

3. Why is reconciliation tied so directly to our worship? How has a lack of reconciliation inhibited your ability to seek the Kingdom of God first?
4. Describe whether or not you believe you can seek the Kingdom of God without seeking His righteousness.
5. Can you seek, strive, pursue, or desire the Kingdom of God and not desire to walk in right standing with God simultaneously? How did that work for Adam and Eve?
