- Salvation -

Ice-Breaker:

- The essence of “salvation” is being saved from our sins. Apart from faith in Christ, what are common ways people (and other religions seek to “Find God” or hope to experience heaven?

Discussion:

1. Read Ephesians 2:8-9 and Romans 3:22. It’s been said that all the other religions of the world say “DO.” Christianity says “DONE.” What are some “Christ Plus” or “Do” things you’ve felt you needed to add to faith in Jesus?
2. Read John 10:28-30 and Romans 8:31-39. What does Jesus promise for those who have placed their faith in Him? Can a person lose his/her salvation?
3. Read Romans 3:21-25 and review the 9 aspects of salvation that Pastor Bryan covered. What was the most surprising? What is the hardest to understand?

9 aspects of Salvation:

Salvation is:

- | | |
|---------------------------|-------------------------|
| 1. designed by God | 6. necessary |
| 2. unearned | 7. undeserved |
| 3. not a secret | 8. through Jesus Christ |
| 4. by faith | 9. expensive |
| 5. available to everybody | |
4. Are you trusting in Jesus alone for your eternity or is there a part of you that is still clinging to other things (good works, religion, achievements, wealth... etc.)?

Application:

- Think of someone who isn’t so sure what they believe. How can you share God’s love with them? Pray for them and plan your first step to reach out to them.
