Read Philippians 2:12. What does Paul mean when he says, “work out your salvation”?

Read Philippians 2:13-18. Why should we treat our spiritual growth with urgency? Jesus’ work on the cross saved us, so why should we be concerned with spiritual growth?

Who is ultimately responsible for your spiritual growth?

Is the life you’re living in front of non-Christians reveal that Jesus makes a difference?

What kind of habits are you creating to leave a legacy for your loved ones?

Read Ephesians 2:10. Pastor Brad says that our purpose here is bigger than our comfort. Rather than complaining and arguing (both of which are growth blockers), what could God be trying to change in you at this moment?

Read 2 Corinthians 3:18. If our ultimate goal is to become transformed to be more like Jesus, how can we expect this to be overnight and without difficulties?
