

Gospel Depth

Romans 12:1-2

Why is Paul preaching the gospel to believers?

The gospel isn't just the beginning of our salvation, it's the full process of salvation in our lives; past, present, and future.

We stand in the gospel by obedience to the Word of God and allegiance to Christ alone.

You will never be able to do anything in your life that's acceptable to God apart from Jesus Christ.

Our salvation is kept by Christ's holding us fast, not primarily by us holding Him fast. Our holding onto Him is evidence that He is holding onto us.

The gospel is the power of God to not only save you in a specific moment of your past, but to sustain you through every moment of your present and future.
