

# HE PROMISES

## *Jesus Still Speaks*

Ask God to speak

- Read 1 Samuel 3.
- Why did Samuel not know it was God speaking at first? How did he come to know God's voice?
- When was the last time you intentionally asked God to speak AND created space to listen?
- Pray: "Speak, Lord, for your servant is listening."

Take time to Listen.

- Sit quietly and pay attention to the noise you hear.
- Lean in and listen intently for the voice of God.
- What scripture, thought, conviction, or circumstance keeps coming back to you? What might God be saying to you through this.

## *Jesus Still Speaks*

Listen to God through His word.

- Read scripture daily and ask God one question
  - What are you saying to me here?
  - What do I need to do?

Respond to God in faith.

- Does what you are hearing from God align with His Word?
- If it does, take the next faithful step. (Obedience sharpens our hearing. The more we respond, the clearer the voice of Jesus becomes.)
- Is there something you already sense God asking you to do? What is one concrete step you can take this week to respond in God faith?
