

God Became Man| Can A Person Get Too Far...

John 12:27-41

February 10, 2019

1| Read John 27-34

Pastor Tom asked the question, why did Jesus endure the cross? What reasons are pointed out right here in this text? Discuss any other biblical reasons including any scripture references. Why do we endure our own trials?

2| Read Romans 16:17-20

Although the cross might have appeared to signal Satan's victory over God, in reality it marked Satan's defeat. How should we picture attacks by the enemy in light of this truth? Also read Hebrews 2:14-15.

3| Read Romans 8:15-17

Christ has enabled, through the cross, a relationship with the Father so intimate that we can cry out to Him; Papa! Knowing this, in what ways should it deepen our walk with God?

4| Read John 12:35-41

If we have become "sons of light", How can we be of help to those who are walking in darkness not knowing where they are going?

5| Read 1 Corinthians 1:23-25

Is there someone in your life in danger of saying no to Jesus one too many times? What could you share with them in light of Pastor Tom's message?
