For a church to be genuinely alive, it must be \_\_\_\_\_.

For a church to be healthy, the Christians within that church must be \_\_\_\_\_.

Two essential characteristics of a healthy Christian life are passionate spirituality and inspiring worship.

**1. If we have a heart for God we will love Him \_\_\_\_\_.**

a) To love Lord with all our heart means to love Him with pure \_\_\_\_\_.

It is not enough to give Christ \_\_\_\_\_ place in hearts, we are called to love Him with \_\_\_\_\_ our heart.

b) To love God with all our soul means our love for God is full of \_\_\_\_\_.

The word apathetic literally means "\_\_\_\_\_".

c) To love God with all our mind is a love that is "\_\_\_\_\_".

d) To love God with all our strength means to love Him in all that we \_\_\_\_\_ - Jesus says our Christianity is to be fully \_\_\_\_\_.

Our Christianity becomes powerful as it is lived out in the \_\_\_\_\_ of the world.

**2. If we have a heart for God we will worship Him \_\_\_\_\_.**

The word enthusiasm comes from the Greek words en (meaning "in") and theos (meaning "God"), so enthusiasm means we are \_\_\_\_\_ with God.
