

Believe

Doubted
John 20. 24-25

There may be times when you have doubts about Jesus. Even if you are his follower.

For a week, all the disciples of Jesus believed he was alive, because they saw him alive. All but one.

No major New Testament figure, believed Jesus was resurrected until they saw him alive, except for John.

24 Now Thomas (called Didymus), one of the Twelve, was not with the disciples when Jesus came.

25 So the other disciples told him, "We have seen the Lord!" But he said to them, "Unless I see the nail marks in his hands and put my finger where the nails were, and put my hand into his side, I will not believe it."

Thomas sought to control the conditions of his belief

Believing is fundamental to our salvation, however some skepticism makes sense

Thomas was a follower of Jesus who was at a crises moment of faith.

In our journey of faith, sometimes we who believe have doubts

Honest doubt can lead to great faith

Great faith can lead to great commitment
