

He Presented Himself Alive!

Life Group Study, Week of October 10, 2021

Engage.

What made you decide to be part of a Life Group? What are you hoping to experience? What are you hoping for from the others in the group?

Where will our group meet? When? How will we handle child-care (*if applicable*)? Do we want to have food and beverages? If so, who will provide them?

What specific values should we adopt and agree to, in order to insure the health and vitality of our group?

Look at the Book: Acts 1:1-5

If you happened to hear Pastor Jim's message on Sunday, what stood out to you, if anything? What questions do you have?

Who is this guy, Theophilus (*compare Luke 1:1-4*)?

What clues do we find about the nature of the book of the Acts of the Apostles from the way Luke described his purpose in "the first book," which we know as the Gospel of Luke (see 1:1-4)?

From verses 2-5, what was apparently Jesus' purpose during the 40 days He spent with his disciples *after* His resurrection?

What is *the kingdom of God*?

What do you often feel that you lack when it comes to sharing your faith in Christ with others? What did Jesus seem to think were the two essential pieces of equipment for Christian mission?

What do you think was Luke's purpose for this brief opening section in relationship to the whole book of Acts?

If you could give this section a title, how would you state it?

Are you personally persuaded of the factual reality of the resurrection of Jesus from the dead? Why or why not? Have you trusted in Christ as your Savior?

Memorize

He presented himself alive to them after his suffering by many proofs, appearing to them during forty days and speaking about the kingdom of God.
