This is a good day! This is being in touch with \_\_\_\_\_!

This is the \_\_\_\_\_ of wisdom.

Think of a time when you finally got/achieved something and you were left with the sensation of "is this \_\_\_\_\_ it is?"

There is a God-shaped vacuum in the heart of each man which cannot be satisfied by any created thing but \_\_\_\_\_ the Creator, made known through Jesus Christ." - Blaise Pascal

This reveals a heart that longs for integrity and dependence, not \_\_\_\_\_.

What if all that you "really" want is to \_\_\_\_\_ / \_\_\_\_\_ in God as a close and loving Father?

This is the \_\_\_\_\_ of all that God wants for you.

## To Think About:

*~What is the one thing you want to take with you?*
