

Untangling Christmas

Untangling the Chaos

What does chaos look like for you in this holiday season?

What chaos did the world experience when Jesus was born?

Read **Luke 1:26-38**

- How did the message Mary heard from the angel first bring more chaos?
- What message from the Angel began to untangle the chaos and start to bring Mary hope?
- How have you seen God work in chaotic situations in the past?
- How has knowing God is with you helped bring you peace?

What is one area of your life where you need to surrender to God and invite Jesus into your life? What would trusting God more look like for you in this season?

What is one way you can keep focused on God's presence with you during this Advent Season?
