

*- New Year Still Waiting-*

**Ice-Breaker:**

**What's the longest line you have ever waited in? What is the longest you would wait for food?**

**Do you know the meaning of your name? Have you wished to have a different name? If yes, what name would you choose?**

**Discussion Questions:**

**Read: Genesis 12 1-5 & Genesis 22:1-18**

1. What does God's call to Abram in Genesis 12:1-3 reveal about His plan for redemption?
2. What practical steps can we take to develop strong faith and trust God in seasons of waiting?
3. Read Genesis 22:1-4. What do you think was going through Abraham's mind as he was busy packing up and then walking with Isaac and the others to the place where God was directing him to go?
4. Can you relate to the emotional journey Abraham might have experienced during the sacrifice?
5. How does God's provision of the ram in Genesis 22 speak to His faithfulness in your life?
6. How can we discern between a genuine call from God and our own impatience or worldly solutions?

**Application:**

- **What steps of faith is God calling you to take in your life?**
- **How can you be a blessing to others in your family, community, or workplace?**
