Your love is like radiant diamonds  
Bursting inside us we cannot contain  
Your love will surely come find us  
Like blazin' wildfires singing Your name  
God of mercy sweet love of mine  
I have surrendered to Your design  
May this offering stretch across the skies  
These hallelujahs be multiplied

How I long to breathe the air of Heaven  
Where pain is gone and mercy fills the streets  
To look upon the one who bled to save me  
And walk with Him for all eternity

There will be a day  
When all will bow before Him  
There will be a day  
When death will be no more  
Standing face to face  
With He who died and rose again  
Holy holy is the Lord

Every prayer we prayed in desperation  
The songs of faith  
We sang through doubt and fear  
In the end we'll see that it was worth it  
When He returns to wipe away our tears

There will be a day  
When all will bow before Him  
There will be a day  
When death will be no more  
Standing face to face  
With He who died and rose again  
Holy holy is the Lord

On that day we join the resurrection  
And stand beside the heroes of the faith  
With one voice a thousand generations  
Sing worthy is the Lamb who was slain

On that day we join the resurrection  
And stand beside the heroes of the faith  
With one voice a thousand generations  
Sing worthy is the Lamb who was slain  
Forever He shall reign

So let it be today  
We shout the hymn of Heaven

With angels and the Saints  
We raise a mighty roar  
Glory to our God  
Who gave us life beyond the grave  
Holy holy is the Lord

So let it be today  
We shout the hymn of Heaven  
With angels and the Saints  
We raise a mighty roar  
Glory to our God  
Who gave us life beyond the grave  
Holy holy is the Lord  
Holy holy is the Lord  
Holy holy is the Lord

I can't count the times  
I've called Your name some broken night  
And You showed up and patched me up  
Like You do every time  
I get amnesia I forget that You keep coming around  
Yeah ain't no way You'll ever let me down  
Chorus 1  
Good God Almighty  
I hope You'll find me  
Praising Your Name no matter what comes  
'Cause I know where I'd be  
Without Your mercy

So I keep praising Your name at the top of my lungs  
    Tell me is He good (He's good)  
    Tell me is He God (He's God)  
        He is Good God Almighty  
You say Your love goes on forever  
    That Your mercy never stops  
        So why would I assume  
You'd be somebody that You're not  
    Like sun in the morning  
I know You're gonna be there every day  
So what on earth could make me be afraid  
    Praise Him in the morning  
    Praise Him in the noon time  
    Praise Him when the sun goes down  
        Love Him in the morning  
        Love Him in the noon time  
        Love Him when the sun goes down  
            Jesus in the morning  
            Jesus in the noon time  
            Jesus when the sun goes down

Here I am  
Down on my knees again  
Surrendering all  
Surrendering all  
Find me here  
Lord as You draw me near  
Desperate for You  
Desperate for You  
I surrender  
Drench my soul  
As mercy and grace unfold  
I hunger and thirst

I hunger and thirst  
With arms stretched wide  
I know You hear my cry  
    Speak to me now  
    Speak to me now  
    I surrender  
    I surrender  
I want to know You more  
I want to know You more  
    Like a rushing wind  
    Jesus breathe within  
    Lord have Your way  
Lord have Your way in me  
    Like a mighty storm  
    Stir within my soul  
    Lord have Your way  
Lord have Your way in me  
    (Lord have Your way)  
    (Lord have Your way in me)
