Global Outreach

Ice-Breaker:

- Have you ever traveled to a foreign country? If so, what was your experience with the people, culture, food, facilities, or language?

Discussion:

1. What is your definition of missions?
2. Read and meditate on the following passages:

 Habakkuk 2:14

 Matthew 24:14

 2 Peter 3:9
3. What do you learn about God in these passages?
4. How do the above passages impact your definition of missions?

Personal Application:

- Next Steps...

PRAY for a missionary you know.
 GIVE financially to a missionary you know.
 GO on a short term mission trip.

Listed below is the contact information for our supported missionaries. While our church supports all of them, since we are the church, will you consider reaching out to one, two, or all of them? You can become prayer partners, receive updates, partner with them financially, encourage them, and even consider going on a short term trip.
