This Child Shall Be Our Peace

by Molly Ijames

A hush upon the stable
A humble manger bed
A weary mother stroking
Her sleeping baby's head

This earthborn Child of Heaven
This fleshbound Son of God
This Man who bore our sorrows
This Lamb who shed His blood

An echo in her mem'ry
Of ancient prophecies
This Child of Mary's labor
This Child shall be our peace

He stills our raging anger
He heals our hopeless grief
He calms our frantic worry
He help our unbelief

A flock of sheep awakened
A flood of glorious light
A band of fearful shepherds
Illumined in the night

Beneath His righteous scepter
He makes all war to cease
Come bow the knee before Him
This Christ shall be our peace

The angel voices swelling
Their message to release
The Lamb will be our Shepherd
This Child will be our peace

"...then his greatness will reach to the ends of the earth. And he will be our peace..."
