Look at the Book: Acts 2:42-47

If you happened to hear Pastor Jim’s message on Sunday, what stood out to you, if anything? What questions do you have?

In your opinion, what essential elements combine to make a great church? Let’s list several.

Jim quoted someone who asserted that the listed order of the four priorities in Acts 2:42 was not accidental, but divinely inspired—that the apostles’ teaching must of necessity precede the next three. What do you think? Why?

What is prayer and why should it become a priority in our personal lives and in our church?

Read verse 43. Do you see a connection between the church’s devotion to the four priorities of verse 42 and the things described in verse 43? If so, what do you think is the connection?

Why does it seem that some churches exercise greater spiritual power and authority than others?

Apply.

In what ways does Life Pointe Church reflect the priorities to which Luke points in Acts 2:42-47? In what specific ways might we need to change and grow?

Pastor Jim requested that we pray and reflect on how we might intensify our focus on prayer in the coming year. What thoughts do you have?

Reflecting on your own prayer habits, what specific, practical step might you personally take to enhance your prayer life?

What questions do you have about what we have discussed??
