

# Suffering Servant

## He Bore Our Grievs

Isaiah 53:1-12

Jesus is the Suffering Servant who bore our sins so we could have peace with God.

The Servant was rejected by people

The Servant suffered for our sin

The Servant submitted to the Father's plan

The Servant secured our salvation

Do you recognize that your sin separates you from God?

Have you trusted Jesus as the one who bore your sin?

Are you living in the peace His sacrifice purchased?
