Kingdom Rule

Matthew 7:24-27

The Bible doesn't offer suggestions; it's the King's decree for our lives.

1. The Word of God Reveals the King's Character.
2. The Word of God Directs the King's People.
3. The Word of God Strengthens Your Faith.

Are you hearing God's Word regularly but not obeying it consistently?

What is one area of your life where God calls you to build on His truth instead of your opinion?

What foundation are you standing on when the storms of life come your way?
