

# Filled | Living In The Power Of The Spirit Part 2

John 14:15-24

May 5, 2019

1| Read John 14:15-20

Jesus promises that when He must go away, The Father will send the Holy Spirit to be with us and be in us. Discuss together what you know and what you have learned about who is the Holy Spirit. Name at least 4 “helps” that the Holy Spirit makes available to believers.

2| The fact that we, as believers, have the Holy Spirit dwelling within us should have a huge impact on our lives. Can you describe a recent occurrence where your reaction to a difficulty was changed due to the influence of the Holy Spirit?

3| Read John 14:21-24

These verses speak of obedience to God’s word being the evidence of your love for God. What does obedience look like in your life and does that line up with God’s word? Read Galatians 5:22-25 for context.

4| Pastor Tom said, “It is not perfection, but it is direction.” Do you tend to feel guilty when you fall short of this mark of perfection? Direction means growing or maturing in Christ. How have you grown in the past week or month?

5| Read Isaiah 40:29-31

Commit some time together, right now, to pray for the youth and children in our church and our valley. Pray specifically for our schools and our ministries: children, Middle Schools, Jr. High, High School.
