"What gets our attention determines our direction which ultimately determines our destination." – Andy Stanley

James 5:19-20 NIV

¹⁹My dear brothers and sisters, if someone among you wanders away from the truth and is brought back, ²⁰you can be sure that whoever brings the sinner back will save that person from death and bring about the forgiveness of many sins.

1. How do you think people "fall into sin"? What were the steps? How did that happen?
2. What have you noticed are the steps and the process that snares you or causes you to stumble or sin?
3. Have you had a season in your life when you backslid or stopped seeking Jesus' Lordship? How did you get back on track? What person(s) was your greatest help?
4. Read 1 Corinthians 5:1-5. What is your response to Paul's attitude, especially in verse 5?
5. Read 1 John 5:16-19. How do you think this verse relates to Christians who refuse to repent and return to the Lord.

Thank God for those people who help you to walk with the Lord Jesus. We need each other. Pray specifically for those who have helped you in the past. Commit to be that type of person.
