REFLECTION + DISCUSSION QUESTIONS

Series: Jesus According To Dr. Luke

Text: Luke 8:1-3

Date: Sunday, May 11, 2025

1. Why do you think Luke includes these three verses that no other gospel does? Do you think there's a significance to these three verses coming after the story of the sinful woman who was forgiven? Why or why not?
2. Answer the three questions in section B in the notes: Who was with Him? Why were they with Him? What did they do?
3. What is the significance of Jesus having women disciples who were with Him and supporting the ministry?
4. Everyone has a past. As you reflect on your own life, how has Jesus healed, forgiven, and saved you? (Spend some time in prayer thanking Him for all He has done for you!)
5. What are some ways we (as individuals, as a small group, as a church, as Christians) can do a better job at heralding the good news of what Jesus has done?
6. What motivation do we see in God's Word for the generosity of God's people? What other Scripture passages inform your answer?
7. *Reflection questions:* Am I being a faithful announcer of the good news to those around me? Am I going out of my way to tell anyone the good news? Am I supporting others in the work they are doing announcing the good news? Am I being a faithful steward of what God has entrusted to me, giving faithfully and generously to the work of the gospel?
