

The One Who Makes Sense Of It All

The One Who Created Revelation 4.11

God is the Creator. For life to make sense I need to understand the power of the Creator and worship Him.

In The Beginning

8 And the four living creatures, each one of them having six wings, are full of eyes around and within; and day and night they do not cease to say,

“Holy, holy, holy is the Lord God, the Almighty, who was and who is and who is to come.”

9 And when the living creatures give glory and honor and thanks to Him who sits on the throne, to Him who lives forever and ever, 10 the twenty-four elders will fall down before Him who sits on the throne, and will worship Him who lives forever and ever, and will cast their crowns before the throne, saying,

11 “Worthy are You, our Lord and our God, to receive glory and honor and power; for You created all things, and because of Your will they existed, and were created.”

We worship the One who created us

God won't let evil have the final answer

How much are you willing to suffer so others can come to Jesus?

No matter how bad things are, God's will is working towards fulfillment.

In a world of chaos and uncertainty, we are reminded that God has power greater than ours.

In The End

A holy God reveals His power to assure us He will prevail over evil. It is the power of creation and resurrection.

God did not create to give His creation over to evil.

Life will make sense when you realize God is more powerful than anyone or anything in creation. The Creator is always more powerful than the created.

In the end, the one who has the most power wins. Who has that power?
