

Who's Your Shepherd? John 10: 27

In chapter 9, John records the restoration of sight to a man who was born blind.

The Pharisees refused to acknowledge the miracle.
Refused to see it for what it was. Refused to acknowledge Jesus for who He was and what He had done.

The man Jesus healed has just been kicked out of the synagogue by the leaders, the crowd was in an uproar, and Jesus begins talking about sheep.
