One World Government

The New World Order

The New World Order

- We learned last week which nations would be in world-power when the Anti-Christ begins ruling the entire world.
- In-order-for him to ever be able to rule the world, several things must happen.
- One of them is that nations will have to give up their national sovereignty and unite with other nations in-order-for there to be a world-wide government.
- This week will look at how this is happening right before our eyes.

NOVUS ORDO SECLORUM

Novus ordo seclorum

- *Novus ordo seclorum,* a Latin phrase, meaning "A new world order.”
- It has been there since 1935, (91 years ago) and was put there by US President Franklin D. Roosevelt.
- Roosevelt dreamed of building a one-world government system and he was the driving force behind the establishment of the United Nations in 1945.
- They may not have known it then, but we know today that the phrase New World Order is referring to the future World Government of the Anti-Christ.

The Beast

Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. Now the beast which I saw was like a leopard, his feet were like *the feet of* a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority. ***Revelation 13:1-2 NKJV***

This is similar to the Beast in Daniel 7, but in Revelation 13 there is only one beast, with the body of the leopard, the feet of the bear, the mouth of the lion. He has 7 heads and 10 horns and 10 crowns, and Satan gave him his authority.

The 4 beast of Daniel Chapter 7

1. **Lion with Eagle's wings – Great Britian (USA)**
2. **Bear - Russia**
3. **Leopard with 4 heads (The 4 Reichs of Germany)**
4. **Beast with 10 horns (The European Union) (The revival of the Holy Roman Empire)**

The Combo Beast of Revelation 13

This combo beast of Revelation 13 has the same kingdoms of Daniel Chapter 7, except they have been merged together into one beast, and there are no eagle wings.

The beast – This group of nations

- The beast from Daniel 7 are 4 separate beast.
- Revelation 13 merges the 4 beast from Daniel 7 into one beast.
- We learned that a beast represents a king or kingdom or a nation and its rulers.
- We learned that the kingdoms or nations in Daniel 7 would be existing at the time of the 2nd coming of Jesus Christ.
- Therefore, this combo-beast or this group of nations in Revelation 13, is the beast or the nations that represents the one-world government system during the time of the Anti-Christ.

Kings and kingdoms

Those great beasts, which are four, *are* four kings *which* arise out of the earth. ***Daniel 7:17 NKJV***

Thus he said: The fourth beast shall be a fourth kingdom on earth. ***Daniel 7:23 NKJV***

The beast represent kings and kingdoms or nations and their rulers.

This combo Beast of Revelation 13

- **Lion** – Great Britian
- **Bear** - Russia
- **Leopard** – Germany
- **10 horned dragon** – European Union (The revival of the Holy Roman Empire)

This is the government that the Anti-Christ will rise to power from.

The USA?

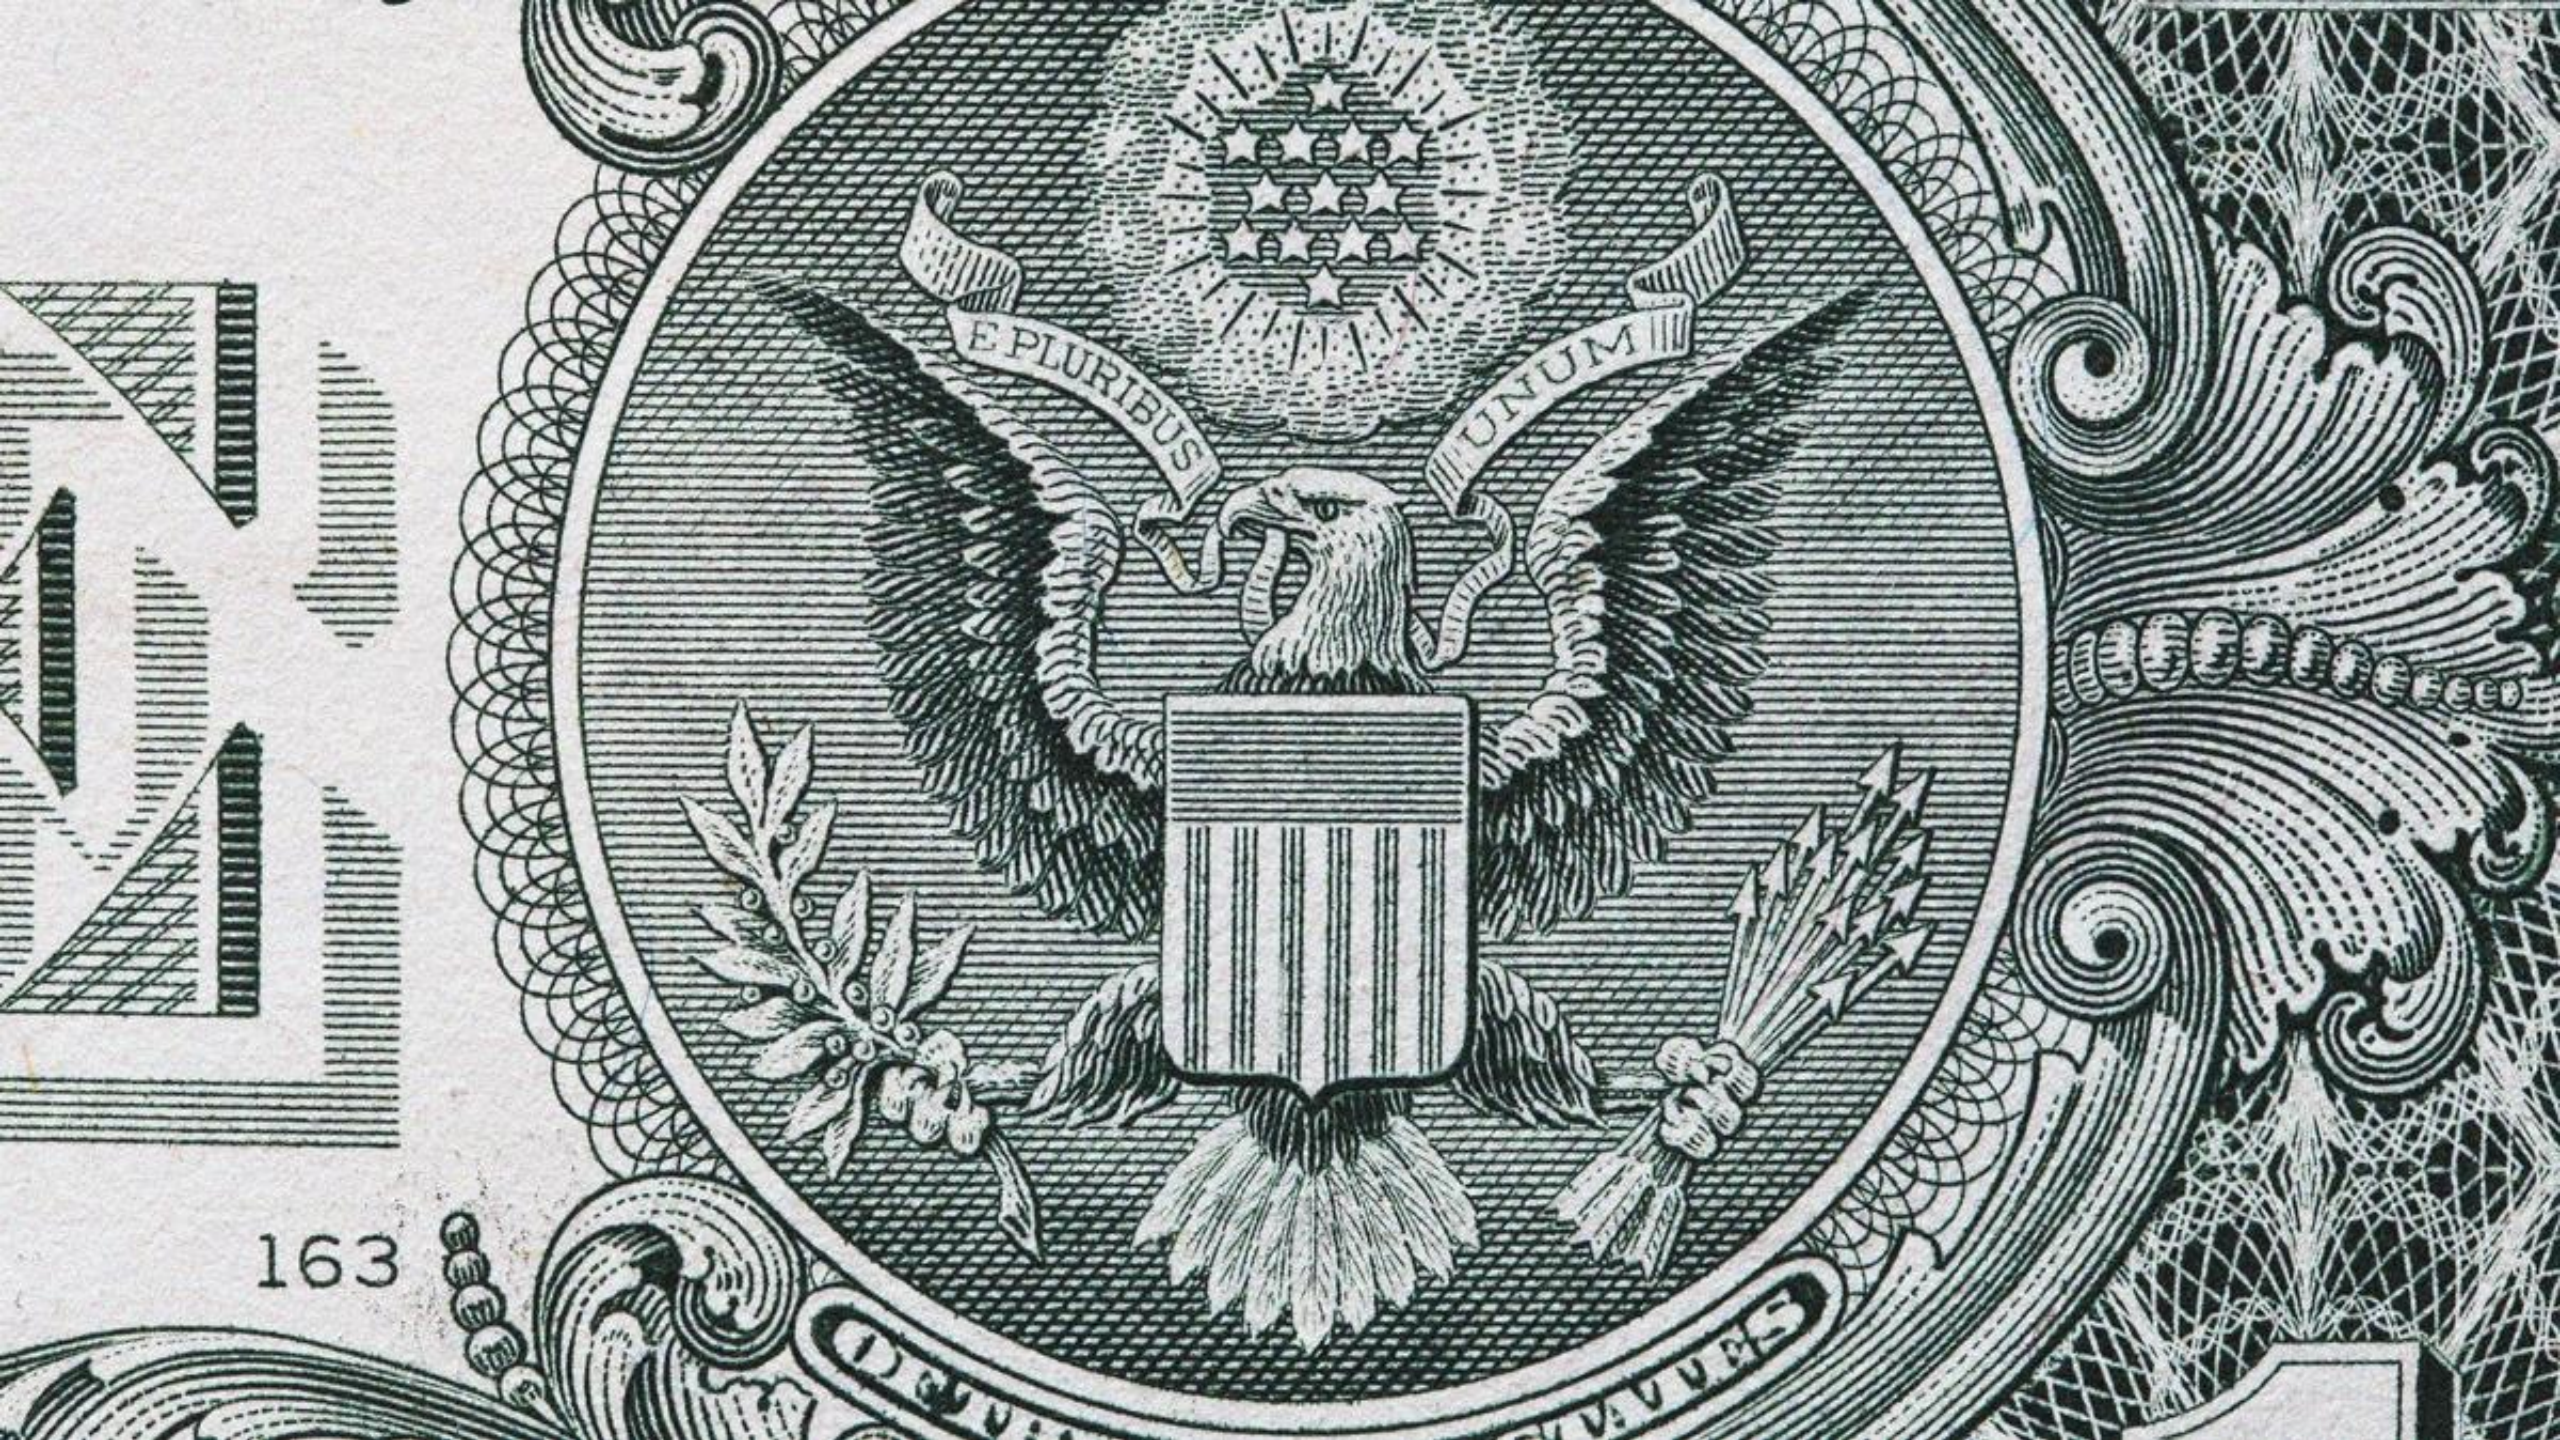

- However, if you look close, there is something missing.
- The eagles wings symbolic of the USA in Daniel 7 are not mentioned in the combo-beast of Revelation 13.
- This indicates that the USA will not be included in the one world government of the Anti-Christ, of the End Time.
- The world dominance will have shifted from the USA to the European Union.
- Will the USA go economically broke?
- Will the USA be hurt in World War III?
- I see one more place where the USA could be mentioned in Biblical prophecy. (Revelation 12)
- Last week we saw the USA in Daniels vision in Daniel chapter 7.

Eagles Wings

The first *was* like a lion, and had eagle's wings. I watched till its wings were plucked off; and it was lifted up from the earth and made to stand on two feet like a man, and a man's heart was given to it. ***Daniel 7:4 NKJV***

I had previously thought that the USA was omitted from End Times Biblical prophecy. But here we see them plainly.

The Eagle is obviously the USA. Look at the back of your one-dollar bill.

E PLURIBUS UNUM

Wings were plucked off

The first *was* like a lion, and had eagle's wings. I watched till its wings were plucked off; and it was lifted up from the earth and made to stand on two feet like a man, and a man's heart was given to it. ***Daniel 7:4 NKJV***

- The USA declared her Independence from England in 1776.
- The wings of the Eagle were plucked off from the Lion.
- America came from our Mother Country, Great Britain.
- There is one more prophetic scripture that mentions the eagle's wings.

The woman - Israel

Now a great sign appeared in heaven: a woman clothed with the sun, with the moon under her feet, and on her head a garland of twelve stars. Then being with child, she cried out in labor and in pain to give birth. And another sign appeared in heaven: behold, a great, fiery red dragon having seven heads and ten horns, and seven diadems on his heads. His tail drew a third of the stars of heaven and threw them to the earth. And the dragon stood before the woman who was ready to give birth, to devour her Child as soon as it was born. She bore a male Child who was to rule all nations with a rod of iron. And her Child was caught up to God and His throne. Then the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there one thousand two hundred and sixty days. ***Revelation 12:1-6 NKJV***

The woman is Israel. The 12 stars are the 12 tribes of Israel. The dragon is Satan. The 1/3 of the stars are fallen angels. The child is the Messiah, Jesus Christ. Jesus ascended to heaven. Israel flees into the wilderness 3 ½ years.

USA stands with and protects Israel

Now when the dragon saw that he had been cast to the earth, he persecuted the woman who gave birth to the male *Child*. But the woman was given two wings of a great eagle, that she might fly into the wilderness to her place, where she is nourished for a time and times and half a time, from the presence of the serpent. ***Revelation 12:13-14 NKJV***

- The dragon is Satan. The woman is Israel.
- The 2 wings of the great eagle is the USA.
- Israel is protected for the 3 ½ years of the Great Tribulation.
- This tells us that the US will stand with Israel and protect Israel during the tribulation period.
- The USA will not be a part of the one-world government and therefore will not come under the reign of the Anti-Christ.

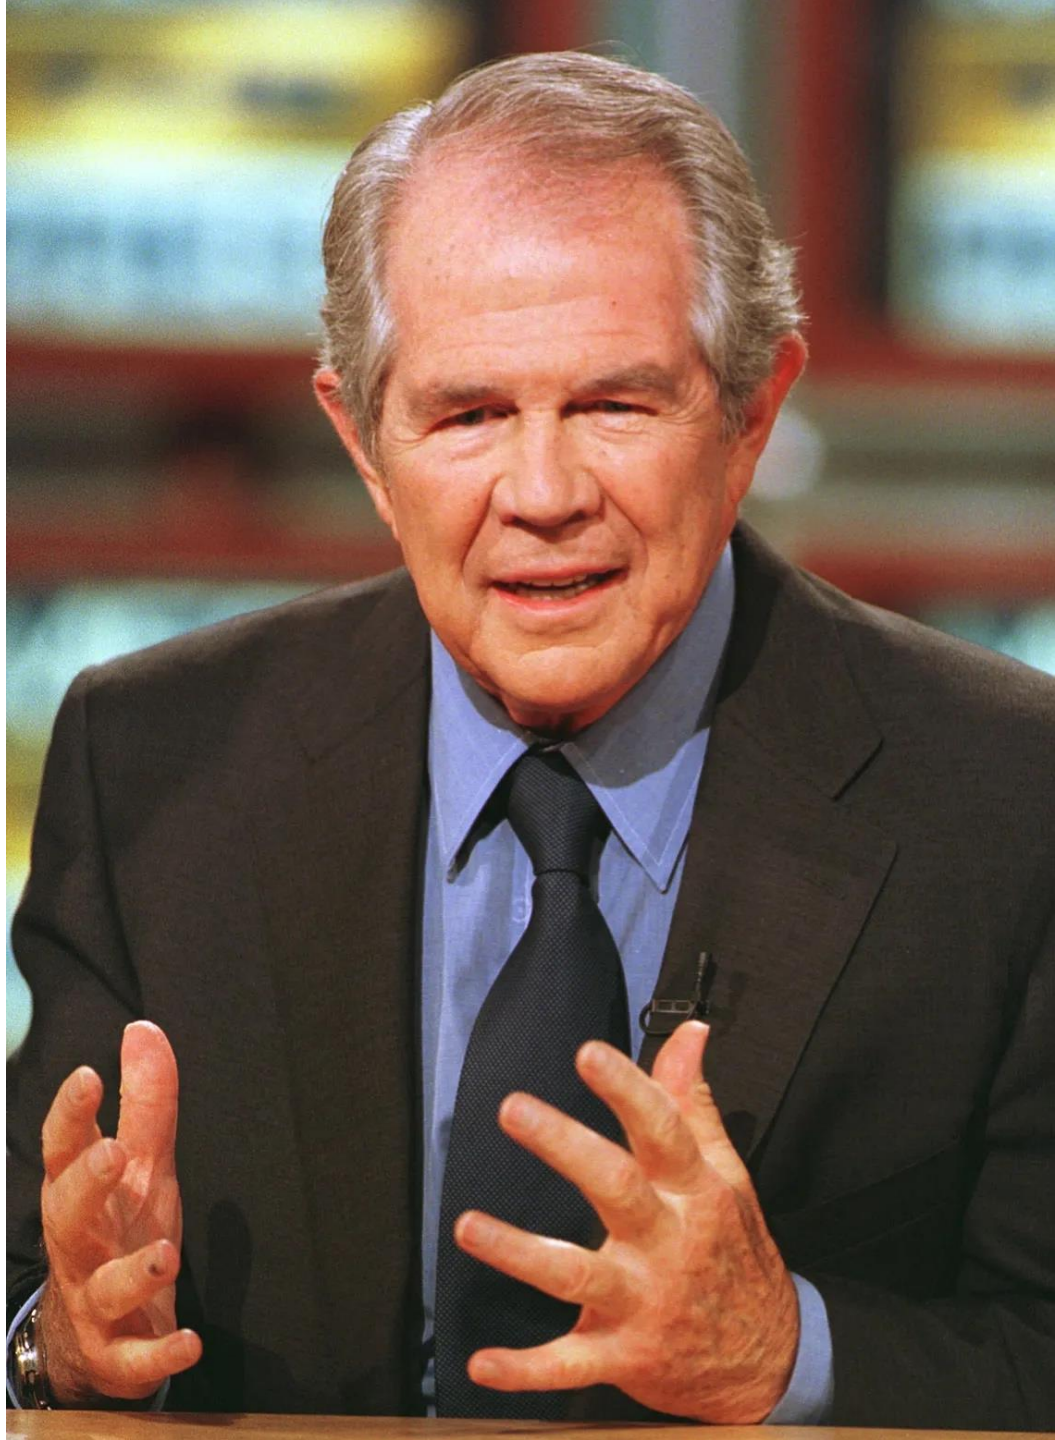

One world government is of the Devil

Now the beast which I saw was like a leopard, his feet were like *the feet of* a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority. ***Revelation 13:2 NKJV***

- The one-world government or globalization is of the devil.
- The one-world government is simply the vehicle in which the Anti-Christ will use to come to power and rule the world.
- Do people that are promoting and championing this one-world government even know what they are doing?

Pat Roberson

Bush is “unknowingly and unwittingly carrying out the mission and mouthing the phrases of a tightly knit cabal whose goal is nothing less than a new order for the human race under the domination of Lucifer and his followers.”

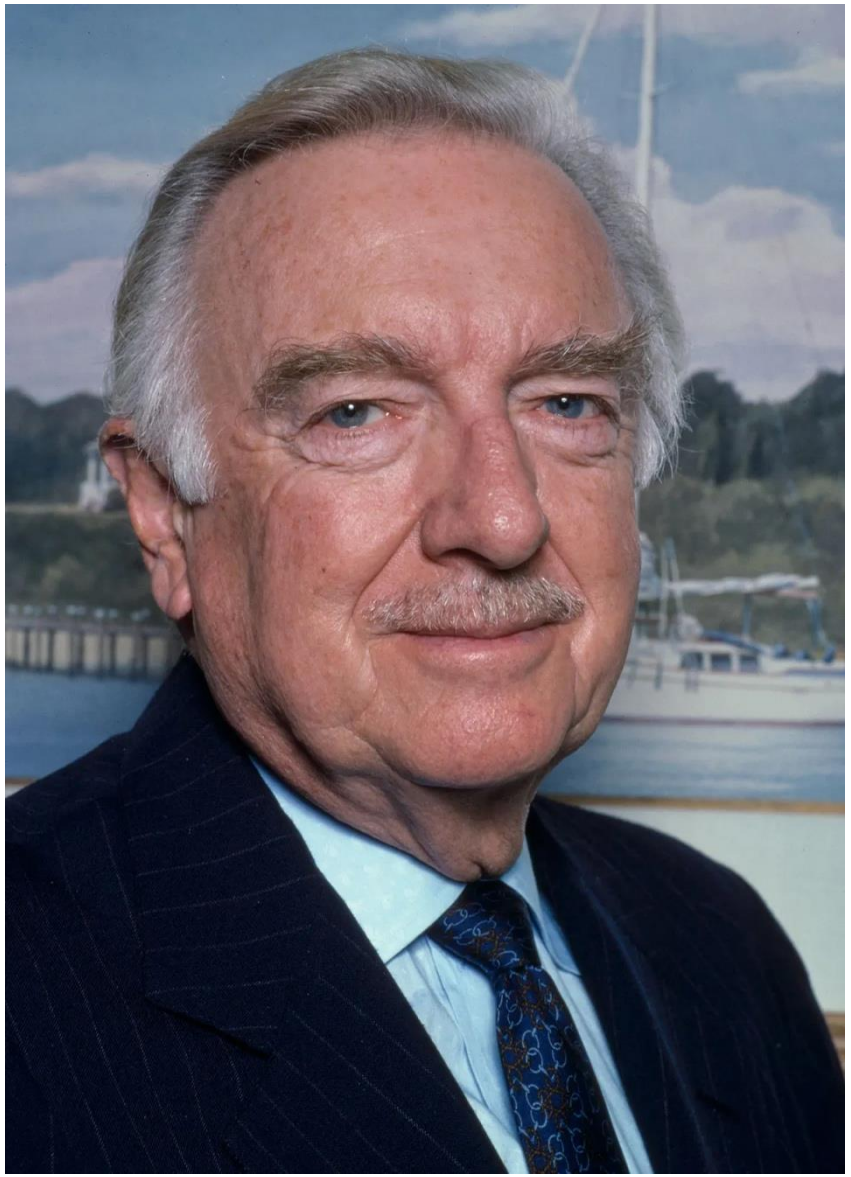

Pat Robertson

- He warned that a secretive global elite was conspiring to create an authoritarian, socialist one-world government controlled by central banks and guided by Satan.
- He wrote that the principal aim of a hidden Establishment was the establishment of a one-world government where the control of money is in the hands of one or more privately owned but government-chartered central banks.
- He claimed this movement involved groups like the Council on Foreign Relations, the Trilateral Commission, the United Nations, and Freemasons working to bring about a socialist, one-world government and, ultimately, the reign of the Anti-Christ.

WALTER CRONKITE

Walter Cronkite

It seems to many of us that if we are to avoid the eventual catastrophic world conflict, we must strengthen the United Nations as a first step toward a world government.....To do that, of course, we Americans will have to yield up some of our sovereignty. That would be a bitter pill. It would take a lot of courage, a lot of faith in the new order.

Walter Cronkite

Our failure to live up to our obligations to the United Nations is led by a handful of willful senators who choose to pursue their narrow, selfish political objectives at the cost of our nation's conscience. They pander to and are supported by the Christian Coalition and the rest of the religious right wing.

Their leader, Pat Robertson, has written that we should have a world government but only when the messiah arrives. Any attempt to achieve world order before that time must be the work of the Devil! Well join me... I'm glad to sit here at the right hand of Satan.

What was he saying?

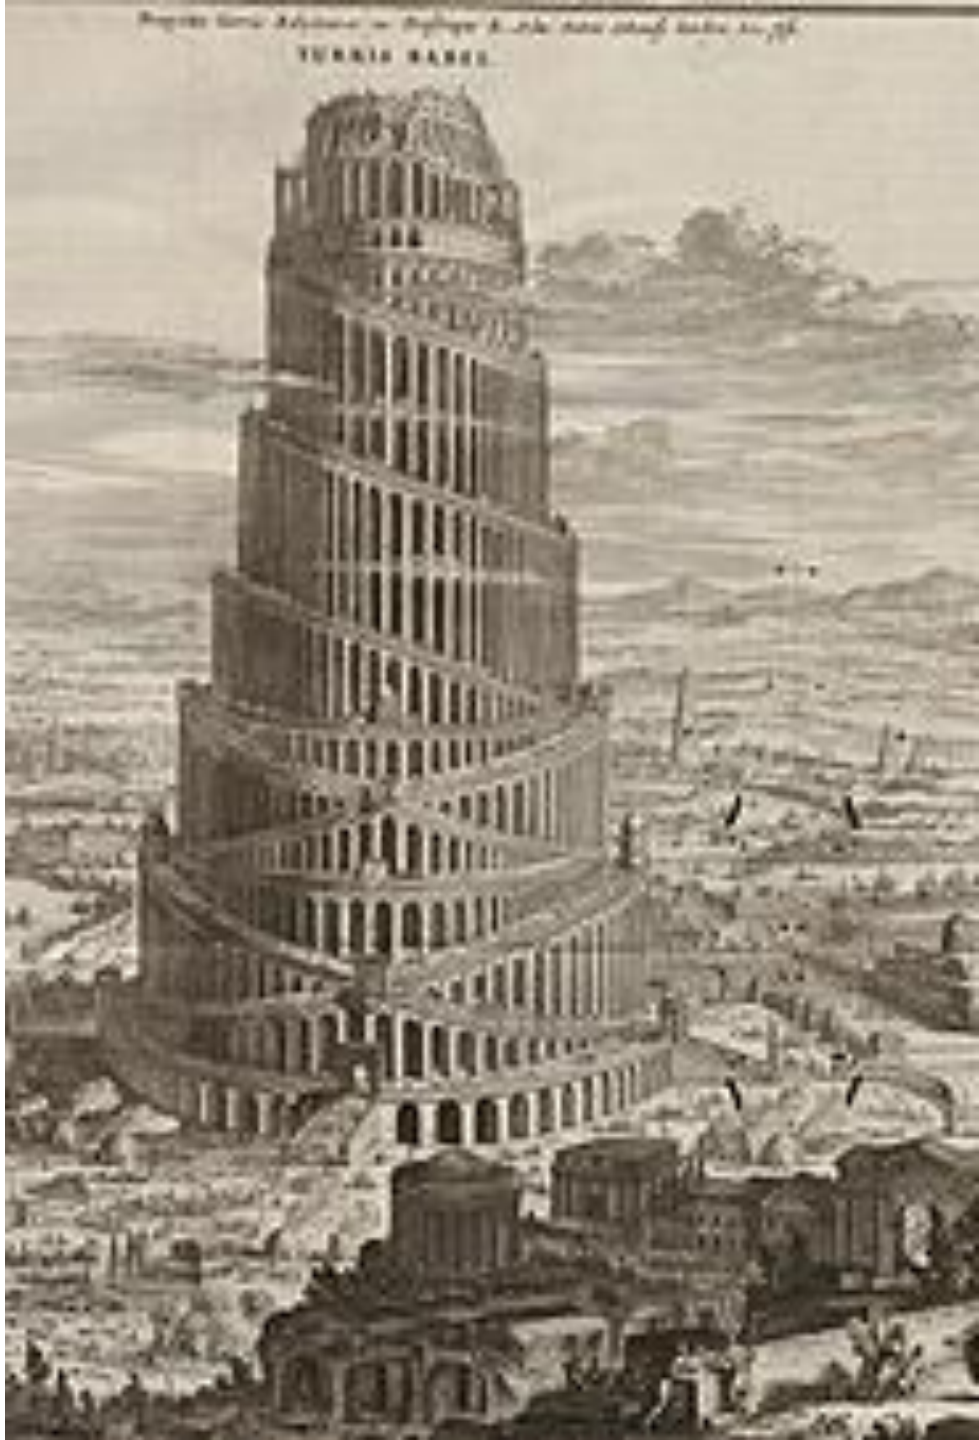

- Cronkite thought like so many others, that having a one-world government is the only way to have a peaceful world.
- That the USA should give up its sovereignty, give up its constitution, give up its freedoms in-order-to join the big picture, of a New World Order, or a One-World Government.

The Tower of Babel

Now the whole earth had one language and one speech… And they said, Come, let us build ourselves a city, and a tower whose top *is* in the heavens; let us make a name for ourselves, lest we be scattered abroad over the face of the whole earth.

God said:

Come, let Us go down and there confuse their language, that they may not understand one another's speech. So the Lord scattered them abroad from there over the face of all the earth, and they ceased building the city. ***Genesis 11:1,4,7-8***

The Tower of Babel

- The tower of Babel was man's first attempt at a One-World Government.
- God had to give the people various languages to confuse them and to divide the people so they would not unite.
- The Anti-Christ is working once again to create a One-World Government.
- God will allow this for a short 3 ½ years.
- God wants the world to have a one-world government one day, but only when Jesus Christ comes to rule it.

The United Nations

- World War I ended with 8 million casualties. Woodrow Wilson proposed the League of Nations in 1920.
- It was the first worldwide intergovernmental organization founded to maintain world peace and promote international cooperation.
- It ceased being effective when World War II began.
- World War II ended with 52 million casualties. The cry for world security became much greater.
- At the end of the war, Franklin D. Roosevelt, Stalin, and Churchill, came together at Yalta in an effort to end all wars. It was in these meetings that the structure for the United Nations was formed.
- The United Nations was a big new idea that a world government could keep the world safe and prevent it from every again being subject to world-wide wars.

Afterward

- After the United Nations was formed in 1945, everything did not work out as planned.
- The Soviet Union received much of Europe as the result of the Yalta agreement, mainly from the actions of Alger Hiss.
- It appeared as if Russia would end up ruling all of Europe and communism would dominate Europe.
- As a result, the USA led the western powers into NATO – the North Atlantic Treaty Organization. NATO was a military alliance to counter the Warsaw Pact, the communist block of Eastern Europe.
- As a result of this, the United Nations was rendered largely ineffective due to the Cold War.
- The US, Great Britian, France, China and the USSR were all given veto power. They formed the big five, and they could veto anything the UN tried to do.

Endtime Ministries

A Pentecostal minister that gave his entire life to studying the End Times.

This next revelation I got from him I believe it is spot on.

Again, I do not agree with him on all points, but this one is good.

One head was wounded

And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast.
Revelation 13:3 NKJV

- Lots of people think the Anti-Christ will be nearly killed, or even raised from the dead. But look, it says, one of his heads. The beast had 7 heads and only one of his heads was wounded to death.
- Remember the beast of Daniel 7 was merged into one beast of Revelation 13.
- The beast represent the nations of world government, with 7 heads. One head of the lion (Great Britian), one head of the bear, (Russia), four heads of the leopard, (Germany) and one head of the 10 horned beast, (The European Union.)
- Which of these nations or heads was wounded?
- Remember the Leopard had 4 heads. (The 1st, 2nd, 3rd and 4th Reich of Germany.)

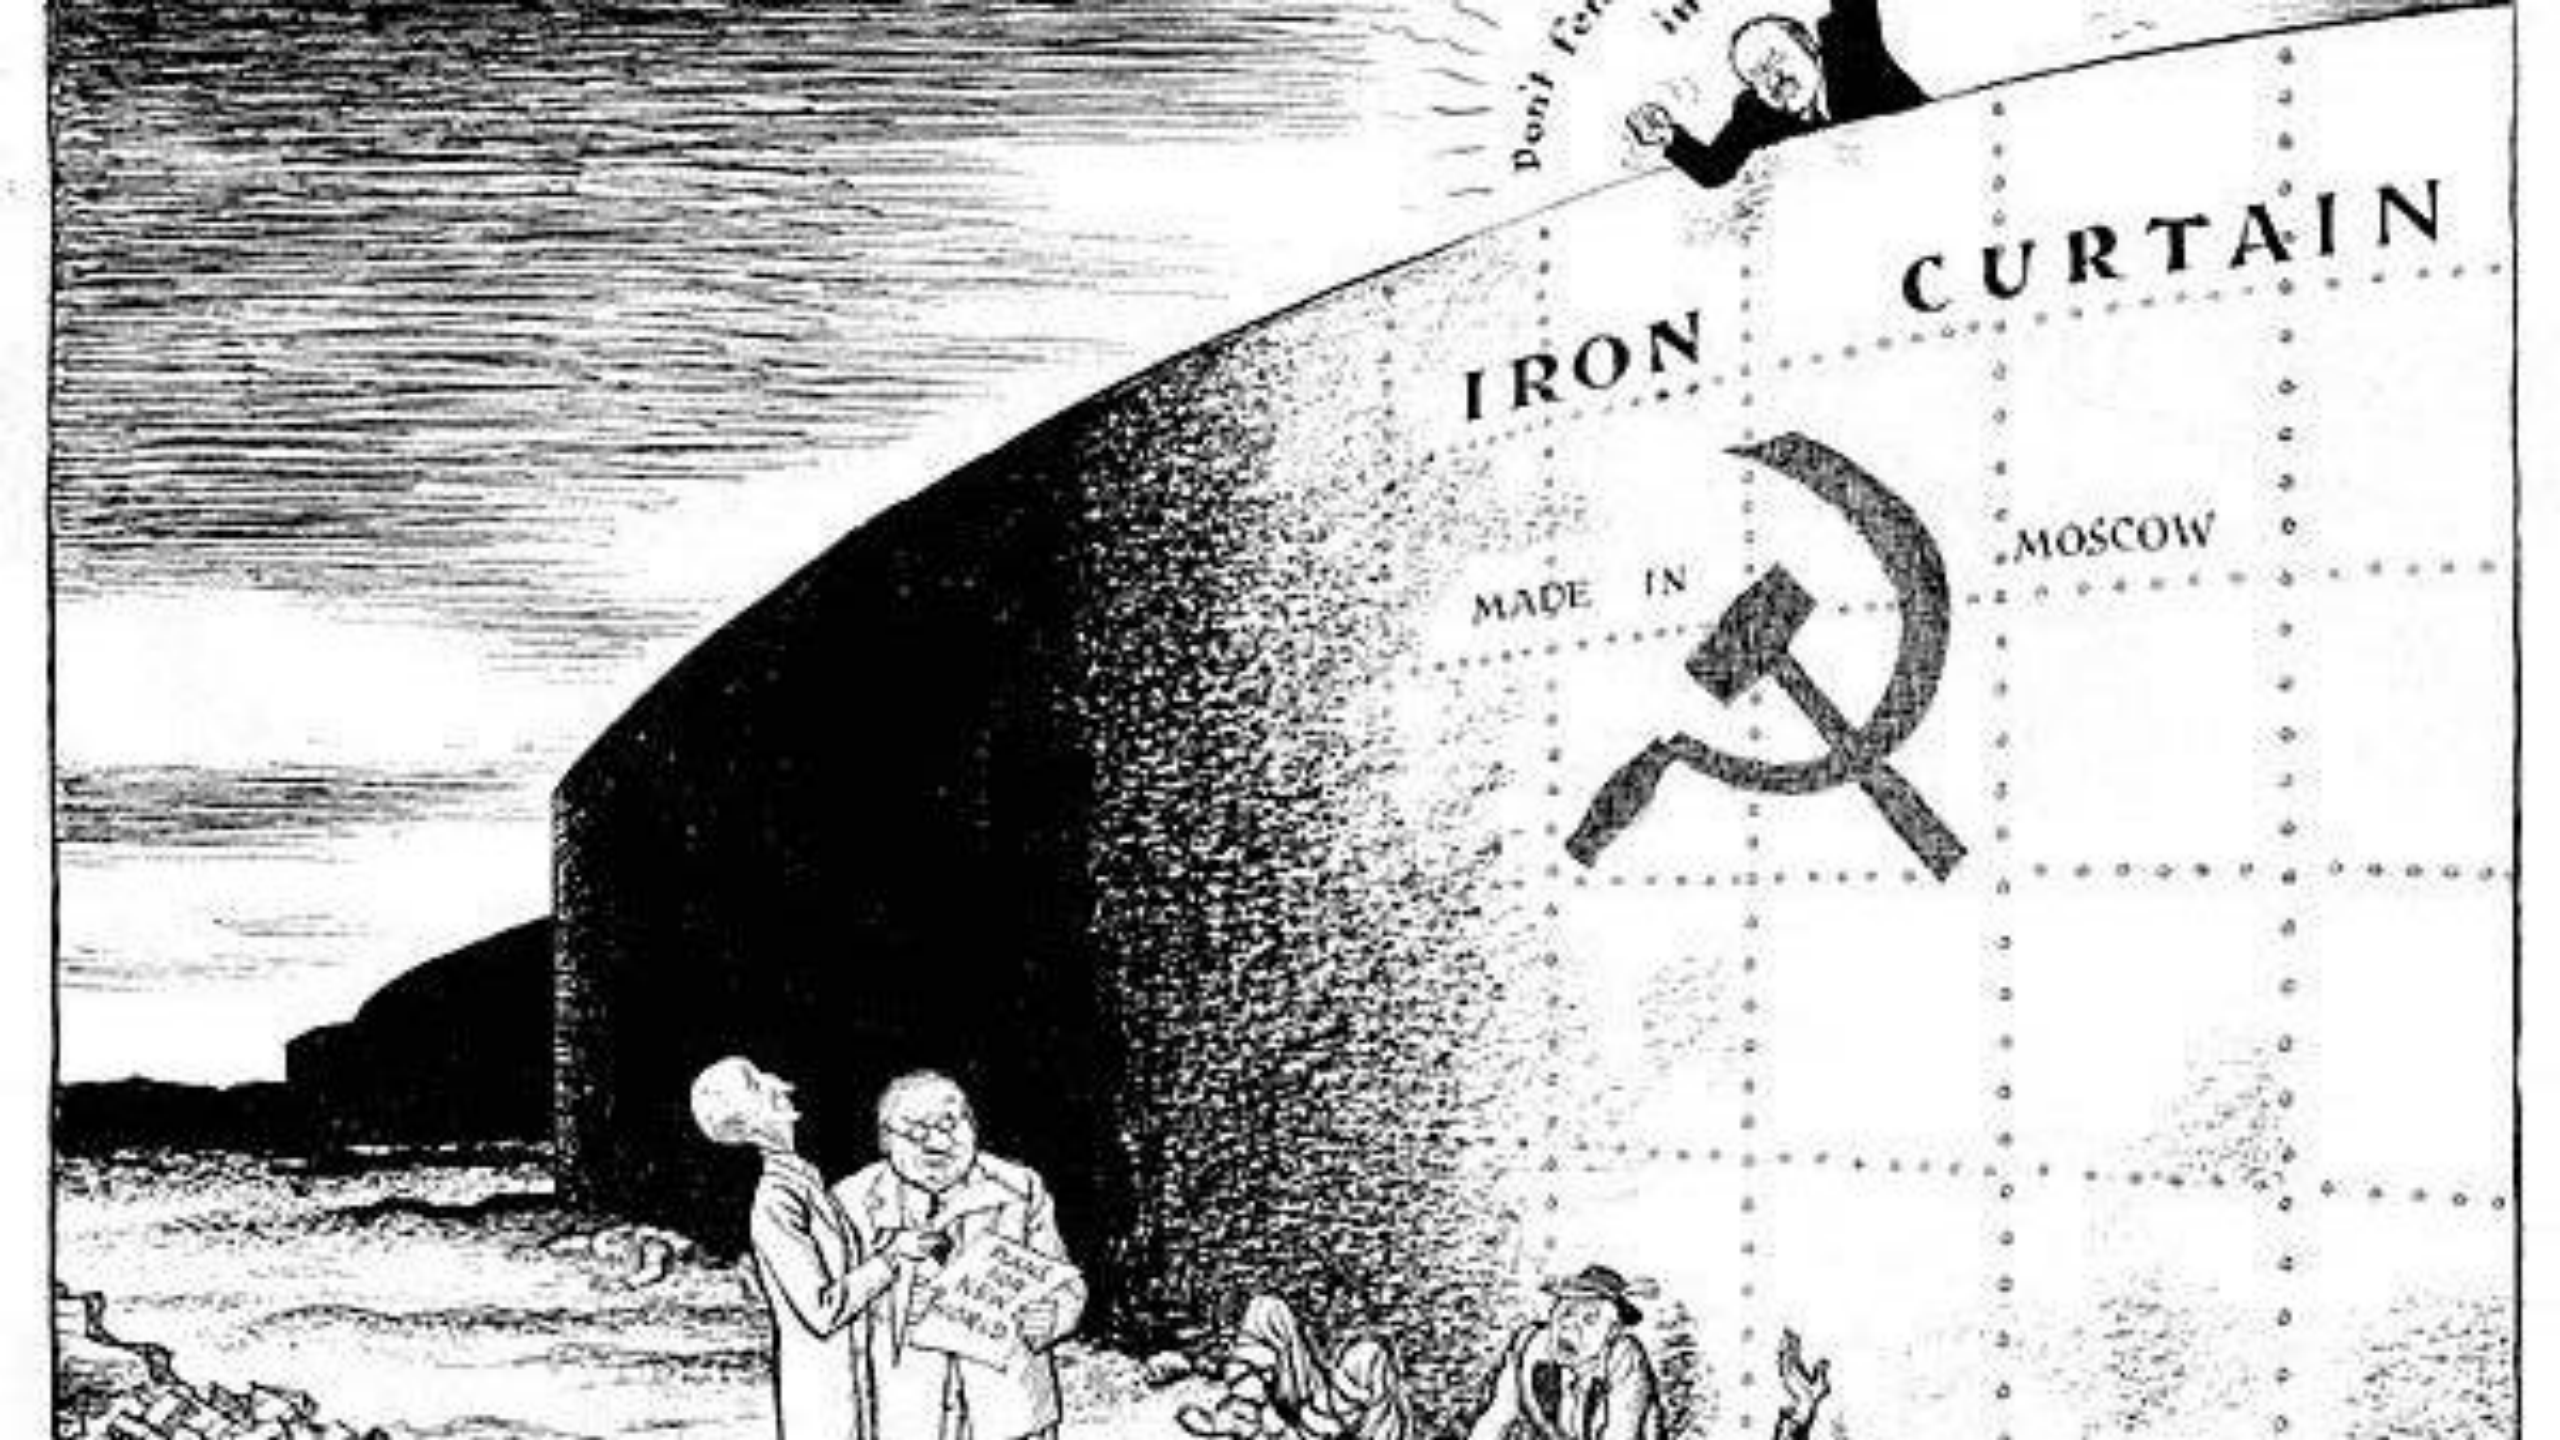

Germany

- It is Hitler's 3rd Reich of Germany that was wounded.
- After World War II, the Allies, USA, Russia and Great Britain determined that Germany had something terribly wrong with it. For it was repeatedly plunging the world into war.
- To insure this would never happen again, they split Germany in half. East Germany would be under the Soviet Unions communist sphere of influence, and West Germany under the Allied sphere of influence.
- By doing this, they created two separate German nations, reducing the Germans financial and population muscle to the point that they were no longer a threat to world peace.
- New headlines read: "Germany is dead, she will never rise again."
- Many people fled East Germany to West Germany, so the Soviet Union built the Berlin Wall. A 29-mile wall that divided East Berlin from West Berlin.
- They also established the Iron Curtain, as Winston Churchill famously called it.
- This wounded as it were the idea of a One-World Government, because Germany was wounded, it's 3rd Reich was wounded, divided, or weakened.
- One of the heads of the beast was wounded.

President Ronald Reagan

On June 12, 1987, he delivered his historic “Tear Down This Wall” speech at the Brandenburg Gate in West Berlin.

General Secretary Gorbachev, if you seek peace, if you seek prosperity for the Soviet Union and Eastern Europe, if you seek liberalization: Come here to this gate! Mr. Gorbachev, open this gate! Mr. Gorbachev, tear down this wall!

The deadly wound was healed

- The wounded head meant that the 3rd Reich of Germany was wounded and weakened so much that it could not possibly be a viable part of the end time government.
- But on Nov 9, 1989, the Berlin Wall came down.
- The deadly wound of one of the heads of the beast was healed.
- The New World Order was birthed.
- Within 20 days of the fall of the Berlin Wall, Mikhail Gorbachev and George H.W. Bush met together in Malta.
- When they came out of those meetings they announced the birth of the New World Order.

President
George H.W. Bush

We have before us an opportunity to forge for ourselves and for future generations a new world order..... when we are successful, and we will be, we have a real chance at this new world order, an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the United Nations founders.

Mikhail Gorbachev

Further world progress is now possible only through the search for a consensus of all mankind, in movement toward a new world order.

Our ideal is a world community of law governed states which also make the foreign policy subordinate to international law.

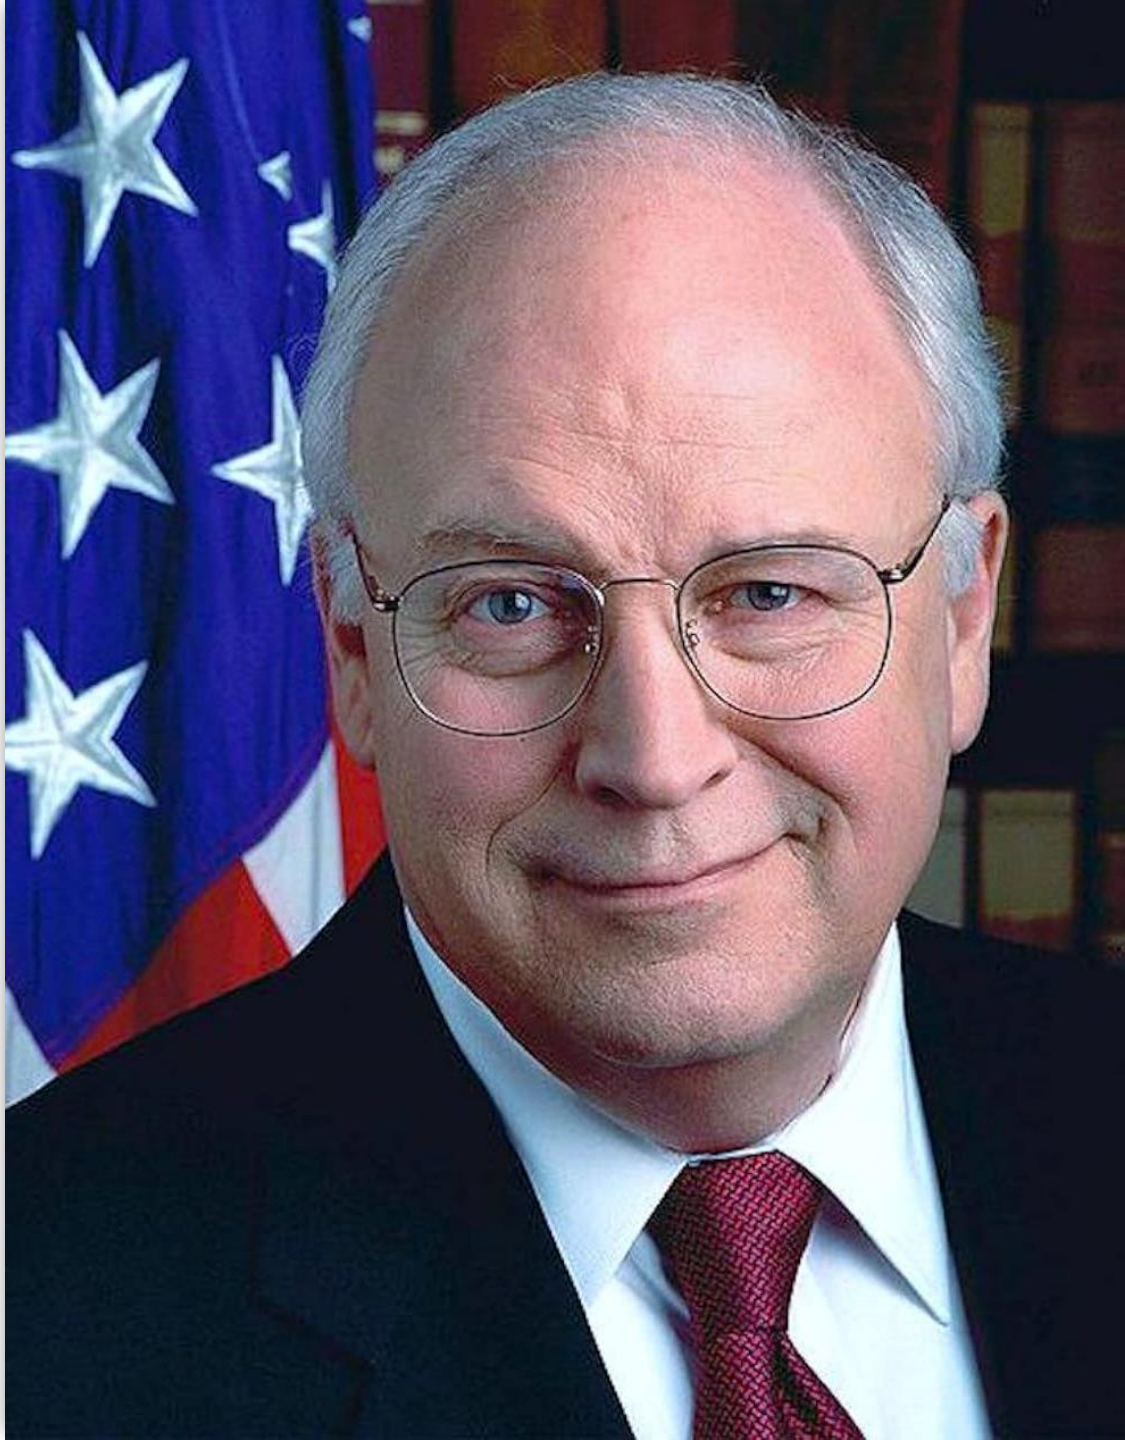

We are all passengers aboard one ship, the Earth, and we must not allow it to be wrecked. There will be no second Noah's Ark.

Dick Cheney

Secretary of Defense

In 1991He gave an explanation why a treaty was signed to reduce weapons.

There is a good reason to take these steps now. The world is in a new era of promise that started two years ago with the collapse of the Berlin Wall. He was referring to the birth of the New World Order.

What is Globalism?

- Globalism is simply the belief that the nation-state is now obsolete and that the world must move into a system of global governance.
- Clearly stated, globalist believe national borders should be dissolved, and a one-world government should be instituted.

Strobe Talbott

Deputy Secretary of State under Bill Clinton.

Within the next 100 years, nationhood as we know it will be obsolete; all states will recognize a single, global authority.

David Rockefeller

Some even believe we are part of a secret cabal, working against the best interests of the United States, characterizing my family and me as 'internationalists,' and of conspiring with others around the world to build a more integrated global political and economic structure—one world, if you will. If that's the charge, I stand guilty, and I am proud of it.

President Bill Clinton

Yet I have followed the work of the United Nations throughout my life, with admiration for its accomplishments, with sadness for its failures, and conviction that through common effort our generation can take the bold steps needed to redeem the mission entrusted to the U.N. 48 years ago. **I pledge to you that my Nation remains committed to helping make the U.N.'s vision a reality.**

President Barack Obama

We have to build a new international order that can address the challenges of our time… An effective United Nations must be at the center of this effort.

The integration of our global economy has made life better for billions of our women and children… Integration of national economies into a global economy, that’s here, that’s done.

The world faces a choice between a better model of cooperation and integration, or a world divided along lines of nation, tribe, race, and religion.

President Joe Biden

March 21, 2022

Now is a time when things are shifting. There's going to be a new world order out there, and we've got to lead it. And we've got to unite the rest of the free world in doing it.

The United Nations Sustainable Development Goals

- The UN has 17 of these goals.
- This is simply a socialistic plan of wealth redistribution.
- It is a plan for global governance that will control every aspect of human life.

Pope Francis

We should all commit ourselves to promoting and implementing the Sustainable Development Goals that are supported by our deepest religious and ethical values.

Pope Benedict XVI

There is an urgent need of a true world political authority.

The problem

- History shows that sovereign nations inevitably, sooner or later, come into conflict.
- When those conflicts can’t be worked out through diplomacy, the nations resort to war.
- Weapons of mass destruction have become so powerful that mankind now has the ability to destroy itself.
- Therefore, war must be eliminated or even outlawed.
- The only way to do that is to eliminate nations, disband national armies, and place all arms under global authority.
- When a dispute arises among states, they can take their case to the United Nations.
- The only army will be the army of the United Nations.
- All Nations will submit to the UN or the World Government.

The Beast

- That may sound good at first glance, but what would happen if another Adolf Hitler should gain control over the only army in the world?
- The world would be subject to the worst tyranny history has ever known.
- Promoters of globalism say this could never happen.
- However, the Bible clearly prophesies that this is exactly what will happen as soon as the new World Government gets into place.
- Only, this time, the world leader will not be Hitler, instead, it will be someone much worse, the Anti-Christ or who the Bible calls the Beast.

Americas love for our national sovereignty

- The only thing standing between mankind and the emergence of the planned New World Order is the United States of America and the American's peoples love of their national sovereignty.
- The States of Europe have already surrendered their sovereignty to the European Union.
- We are watching world government being formed right now, in front of our very eyes, through the United Nations, International Monetary Fund, World Bank, World Health Organization, the North Atlantic Treaty and many others.
- It was prophesied in the Bible many years ago, and we are watching it come to pass.

President Trump

- President Trump is not a globalist.
- He is not a fan of the United Nations.
- He does not dream of a New World Order.
- He is a Nationalist.
- He highly values our national sovereignty.
- You may not like other things about him, but this one thing you should love about your President.

President Trump

“You know what I am? I'm a nationalist. OK? I'm a nationalist.”

“The future does not belong to globalists. The future belongs to patriots.”

“Wise leaders always put the good of their own people and their own country first.”

“We have rejected globalism and embraced patriotism.”

“The future belongs to sovereign and independent nations, who protect their citizens, respect their neighbors and honor the differences that make each country special and unique.”

Borders

- Why are our borders so important to Trump?
- Because he is a nationalist and not a globalist.
- *“A nation without borders is not a nation. We must have a strong border.”*
- Globalist do not want any borders.
- Over 10 million people came across our borders illegally under the Biden administration. Why did he allow this? Because he is a globalist, not a nationalist.
- No, I don’t 100% agree with the way ICE has handled deportations, and yes, I think we must make a path-way for citizenship for good, honest, hard-working people who have been in our country for a long-time and proven they can be good citizens.
- I know people living here in the US that are not here legally, these are good people.
- Nationalist insist upon borders, while globalist do not care.
- There is one political issue that is so very much more important than all other issues. Is your candidate a globalist or a nationalist?
- This is the main reason why the world hates Trump so badly, because he is slowing down the one-world government from happening.

A new world order

- Globalist are driven toward the formation of a one-world government.
- Most of them have no idea what this is really doing.
- Setting the stage or building the platform for the Anti-Christ to come to power and rule the world.
- Most people do not realize it, but technology like A.I. main purpose is to have systems in place for Anti-Christ to rule and control the entire world.
- We are moving toward a new world order as technology advances, governments unify, religions promote tolerance and unity over truth, and society as a whole says, let’s find a way to co-exist one with another.

Jesus is coming back soon

- We will study soon about the 6th trumpet judgment.
- Could this take place before the tribulation?
- Could this be the thing that causes all countries to give up their sovereignty in search of world peace.
- This is interesting to me so see how all of this unfolds. There are many things we simply do not know.
- But one thing I do know, is that Jesus Christ is coming back soon!
- And He will take everything wrong with this world and make it right.
