The One Who Loves
John 3.16

God loves us. Life will only make sense when we know that love.

The Most Important Religious Meeting Ever

Nicodemus spent his lifetime believing and working in a system he thought would save him.

But God can do something. And He did. In His love for us, He sent Jesus to save us by the cross.

We must believe, have faith, trust Jesus. Then we have eternal life. Then and only then, will life make sense.
