On a hill far away stood an old rugged cross
The emblem of suff'ring and shame
And I love that old cross where the dearest and best
For a world of lost sinners was slain
So I'll cherish the old rugged cross
Till my trophies at last I lay down
I will cling to the old rugged cross
And exchange it some day for a crown
In the old rugged cross stained with blood so divine
A wondrous beauty I see
On that old cross Jesus suffered and died
To pardon and sanctify me
To the old rugged cross I will ever be true
Its shame and reproach gladly bear
Then He'll call me some day to my home far away
Where His glory forever I'll share
I will cling to the old rugged cross
And exchange it some day for a crown

Days may be darkest
But Your light is greater
You light our way God You light our way
When evil is rising You're rising higher
With power to save with power to save
You keep hope alive You keep hope alive
From the beginning to end Your word never fails
You keep hope alive because You are alive
Jesus You are alive
Death had a stronghold
But Your life was stronger
Rose from the grave rose up from the grave
When evil is rising You're rising higher
With power to save with power to save
There's hope in the morning
Hope in the evening
Hope because You're living
Hope because You're breathing
There's hope in the breaking
Hope in the sorrow
Hope for this moment
My hope for tomorrow

I see His body breaking I see His fingers bleed
I see the darkness tremble
At the ground below His feet
And in the darkest hours there on Calvary
He was sweetly broken
Broken beautifully broken beautifully
So come out into the waters
Come let the broken sing
Come all you sons and daughters
His love changes everything
Come when the fear is fighting
You finding the risen king
Come on and let the light in
Your love changes everything
And when the heavens opened
I saw the sins of men
Become a crown of glory
As You died and rose again
And in the darkest hours
And in the valley low
I will fear no evil
'Cause You'll never let me go
You'll never let me go
Your love Your love Your love changes everything
Your love Your love Your love changes everything
And none can overcome when death has lost its sting
Your love Your love Your love
And in the darkest hours
And in the valley low
I will fear no evil
You'll never let me go
You'll never let me go

Your love Your love Your love changes everything
Your love Your love Your love changes everything
Your love Your love Your love changes everything
Your love Your love Your love

How great the chasm that lay between us
How high the mountain I could not climb
In desperation I turned to heaven
And spoke Your name into the night

Then through the darkness Your loving-kindness Tore through
the shadows of my soul
The work is finished the end is written
Jesus Christ my living hope

Who could imagine so great a mercy
What heart could fathom such boundless grace
The God of ages stepped down from glory
To wear my sin and bear my shame
The cross has spoken I am forgiven
The King of kings calls me His own
Beautiful Savior I'm Yours forever
Jesus Christ my living hope
Hallelujah praise the One who set me free
Hallelujah death has lost its grip on me
You have broken every chain
There's salvation in Your name
Jesus Christ my living hope

Then came the morning that sealed the promise Your buried body
began to breathe
Out of the silence the Roaring Lion

Declared the grave has no claim on me **(REPEAT)**

Jesus Yours is the victory whoa
Jesus Christ my living hope
Oh God You are my living hope
