

## ***DISCUSSION QUESTIONS | TREASURE HUNTERS / APRIL 2, 2023***

1. It is easy to get tangled-up with concerns about stuff and finances. Right now, what is some of the "stuff" and concerns that war in your mind trying to occupy your time and heart?
2. While wealth and nice things are not evil, how do they fulfill Jesus' words, v21/ "...for where your treasure is, there your heart will be also"?
3. From reflecting on where you spend and invest your "treasure" (money, time, and skills), where is and what has your heart?
4. The story of the cookies that Pastor Brad told was very illustrative (and funny). How aware are you of the fact that God owns all the cookies! (Read Psalm 24:1)

How does this truth affect your daily life?

5. Read Matthew 6:24. Honestly, what wars the most against Jesus being the Master of your life and family?
