

Praying for Our Country

The Elections: Pray God's people will live out their Christian citizenship responsibilities, and vote guided by Christian principles, values, and conscience.

Executive & Legislative Government Officials: Pray God will put a healthy fear of God in the hearts of all our leaders in government (the president, senators, representatives, governors, county and city officials, etc.) with an inclination to obey his Word, hate evil, error, and injustice, and a determination to do what is right and best for our country, wisdom to make right decisions, and persistence to faithfully carry them out.

The Judicial System: Pray judges will be exemplary, honorable, God-fearing, and make right rulings that honor the Constitution and the laws of the land. Pray for the Supreme Court, District Courts, state and county courts, justices, and their aides.

Law Enforcement: Pray for their safety, for wisdom and compassion handling tough situations, for success in strengthening the right and prosecuting the wrong. Pray for their families. Pray for state and local police, sheriffs and their deputies, Border Patrol, Customs Agents, the FBI, CIA, and Secret Service personnel.

Military Personal & Families: Pray for their safety and success securing our protection and peace, for grace to handle loss and loneliness, for families to remain strong and to have all their needs met. Pray for those in positions who make life or death decisions. Pray for high morale and a strong sense of righteousness for all personnel.

Educators: Pray that educators will be true to their calling, uphold righteous principles, teach truth, and impart a strong sense of good morals and godly values. Pray for professors, teachers, administrators, and parents.

The Church: Pray for a genuine revival in the church, for the church to live out its mission and fulfill its calling to be salt and light, pointing the way to salvation, the truth, and righteousness.
