[Story Behind The Hymn]

READ BETWEEN THE LINES

O Come, O Come Emmanuel

O Come, O Come Emmanuel was originally written in Latin with a title of 'Veni, Veni, Emmanuel' (documents featuring the title and words date back to 1710).

The English translation of the Christmas carol came about in 1851 when priest and scholar John Mason Neale's version featured in the pages of *The Hymnal Noted* - a key text in the history of hymns collected by hymnal documenter Thomas Helmore.

The haunting melody has its roots as far back as 15th Century France, with a sketchy-at-best history. It wasn't until the 1960s musicologist Mary Berry sourced the 15th century manuscript that bore the tune's building blocks, among many others used for processional chants for burials.

So the actual composer of the music for one of the world's most popular carols is enigmatically anonymous. It was, however, the combination of the tune with John Mason Neale's translation of the Latin text that began its life as a perennial festive favorite.

[Weekly Devotion Questions]

HMMM...

Take a few minutes this week and read through the book of Ephesians.

Pray that God would reveal truth to you through the Holy Spirit.
