

DISCUSSION QUESTIONS | THE GOOD SAMARITAN | JUNE 2, 2024

Read Luke 10:25-29. Have you asked Jesus lately who is your neighbor(s) and how you can meet the needs of those all around you?

Read Luke 10:30-37. Jesus is clear in this passage we are to let compassion for others drive us to action. Are you guilty of making excuses or turning away from those in need?

Where do you see yourself in this story today? As the victim, robbers, priest, Levite, Samaritan or innkeeper?

Read Isaiah 53:3. Jesus chose a Samaritan to represent Himself since they, like He, was despised by many. How often do we forget that Jesus is familiar with suffering and pain and can relate to many of the things we endure on this earth and can comfort and heal us as no one else can?

Read 2 Corinthians 5:21. We are made righteous, not on our own but by Jesus. God does use us to impact others and point people towards Jesus. Can you pray about who you can encourage or impact on some tangible way, then act?
