Speak to me

When the silence steals my voice

You understand me

You understand me

Come to me

In the valley of unknowns

You understand me

You understand me

You understand me, God

You understand me

So I throw all my cares before You

My doubts and fears don't scare You

You're bigger than I thought You were

You're bigger than I thought

I stop all negotiations

With the God of all creation

You're bigger than I thought You were

You're bigger than I thought You were

So much bigger than I thought

You're bigger than I thought You were

I believe

But help my unbelief

You understand me

You understand me

Help me reach

The faith that's underneath

You understand me

You understand me

Yes, You understand me, God

You understand me, oh

I throw all my cares before You

My doubts and fears...
