

Advent Reading with Lighting of the Candle

Joining us today are the family of Jorge and Laurie Hancock. Helping with our Christmas tradition of lighting the Advent Wreath are their children Clint, Becca, Jarrod, daughter-in-law Samantha along with their grandchildren, Laurel and Callie.

Communion Instructions

We will take communion together when instructed by the Pastor from the cup you should have received walking in. If you do not have one, there are some at the end of the pew, please ask your neighbor to pass you one.

Candle Lighting Instructions

The light will be brought to the end of each pew. Tip your unlit candle into the flame so that it may take hold. DO NOT TIP YOUR LIT CANDLE. Pass the light along your row until every candle is lit. As the candles are lit we will join in singing. As Christ comes bringing the light of God's love, we light our individual candles to signify our individual and collective commitment to live as Christ's faithful in the world.
