

Jesus is a Greater Object of Faith

Hebrews 11:1-40

Only in the completed work of Jesus does our faith find true fulfillment.

In Christ we have a faith that:

1. Defines us.
2. Refines us.
3. Rescues us.

1. How can you draw strength from experiences when you have had to trust God, even though you couldn't see the outcome, to help you face current challenges?
2. How can the examples of faith in Hebrews 11 inspire and encourage you to persevere in those areas of your own life where you are struggling to trust God?
3. Is there a specific step of faith that God is calling you to take? How can you trust God's guidance and take that step, even if it seems daunting or uncertain?
