The word "exhort" means to emphatically urge someone to do something. Peter wraps up this first letter with some specific words that exhort the leaders of the congregations and the people in the congregations.

When has some "exhorted" you?
What was it about?
How did you respond?

How would you describe the difference between "exhort" and "suggest"?
Why do you think Peter uses the word "exhort"?
Does it change how you receive the words Peter writes?
Why/why not?

Read 1 Peter 5:1-11

Who is Peter addressing in these verses? (Three different groups of people).

What are the specific exhortations to elders?
How are they to do these things?

Read John 10:1-18
