When all I see is the battle
You see my victory
When all I see is a mountain
You see a mountain moved
And as I walk through the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You
So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You
And if You are for me
Who can be against me
For Jesus there's nothing
Impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb
(An) Almighty Fortress You go before us
Nothing can stand against
The power of our God
You shine in the shadows
You win every battle
Nothing can stand against
The power of our God

O God the battle belongs to You

When darkness tries to roll over my bones
When sorrow comes to steal the joy I own
When brokenness and pain is all I know
I won't be shaken I won't be shaken

My fear doesn't stand a chance When I stand in Your love **(REPEAT)**

Shame no longer has a place to hide
I am not a captive to the lies
I'm not afraid to leave my past behind
I won't be shaken I won't be shaken
There's power that can break off every chain
There's power that can empty out a grave
There's resurrection power that can save
There's power in Your name power in Your name
Standing in Your love

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out
Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
I choose to praise
To glorify glorify
The name of all names
That nothing can stand against
For all my days
Yes I will
I count on one thing, the same God that never fails
Will not fail me now, you won't fail me now
In the waiting, the same God who's never late
Is working all things out, is working all things out
Yes, I will lift You high, in the lowest valley
Yes, I will bless Your name
Oh, yes, I will sing for joy when my heart is heavy
All my days, oh yes, I will
Yes, I will lift You high, in the lowest valley
Yes, I will bless Your name
Oh, yes, I will sing for joy when my heart is heavy
All my days, oh yes, I will
For all my days, oh yes I will
I choose to praise, to glorify, glorify the name of all names
That nothing can stand against

And I choose to praise, to glorify, glorify the name of all
names

That nothing can stand against

And I choose to praise, to glorify, glorify the name of all
names

That nothing can stand against

And I choose to praise, to glorify, glorify the name of all
names

That nothing can stand against

For all my days, oh yes I will, for all my days, yes I will

I love You Lord
Oh Your mercy never fails me
All my days
I've been held in Your hands
From the moment that I wake up
Until I lay my head
I will sing of the goodness of God
All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God
I love Your voice
You have led me through the fire
In darkest night
You are close like no other
I've known You as a father
I've known You as a friend
I have lived in the goodness of God
Your goodness is running after
It's running after me
Your goodness is running after
It's running after me
With my life laid down
I'm surrendered now
I give You everything
Your goodness is running after
It's running after me
