Write down the Next Step for this week:

## **Study Guide**

How have you heard God speak to you?

What would you say is the role of the Holy Spirit?

**Watch the Bible Project video overview of the book of Job.** <https://bibleproject.com/videos/job/>

### **Read Job 33:1-18**

In verses 1-7, what does Elihu say about the Spirit?

What other passages in the Bible does this remind you of?

**Read Genesis 1:1 and 2:7** - how do these two passages support what Elihu was saying to Job?

Do you think about the fact that Holy Spirit is the source of all life? Why or why not?

What impact would it have on your life to daily remember that "the breath of the Almighty gives you life"?

Why do you think Elihu makes this point about Holy Spirit in this conversation with Job?

In verses 8-11, Elihu recounts what Job had said regarding his life.

How would you describe Job's perspective?

Have you ever spoken of yourself like this? Was it accurate? Why or why not?

In verses 12-18, Elihu offers words of rebuke or correction to Job.

What is Elihu's main point?

How does Elihu talk about God when correcting Job? (Be specific).

What does Elihu say about how God speaks to humanity?

How does man hear or perceive when God speaks?

Have you ever heard God speak to you in a dream?

What was that dream? How did you know if it was from God?

Why does Elihu say God speaks to men/women in dreams?

What is the goal of Holy Spirit communicating with us?

Compare with other Scripture passages to see if Elihu's words are accurate regarding the work of God through Holy Spirit.

**Look up the following passages John 3:5-6, 14:26, 16:8.**

How does Holy Spirit convict you of sin?

How does Holy Spirit remind you of the source of life?

What person of the Trinity are you most curious about - Father, Son, Holy Spirit? Why?

What questions do you have about the Triune God?

**Next Step:** Keep track of how you hear Holy Spirit communicating with you this week and tell someone about how this gives you life.

**Next Week's Scripture:** Galatians 3:23-4:7
