

1 John

How do Believers live?

1 John 2.1-2

How does God forgive our sin?

Why Can't God Just Deal With It?

God did and does deal with our sin. But God does it His way and not ours.

How Did God Do It?

2.1 My little children, I am writing these things to you so that you may not sin. And if anyone sins, we have an Advocate with the Father, Jesus Christ the righteous;

2 and He Himself is the propitiation for our sins; and not for ours only, but also for those of the whole world.

God did it through the death of Jesus.

What Does This Mean For Us?

Jesus is the complete, final and ultimate sacrifice for sin.

Sin doesn't have to have the final say in your relationship with God

Jesus freely gave himself in your place and on your behalf to pay for your sins.

The only thing you do is turn from your sin and trust Jesus with your life.

There will come a time when it is too late.
