The Lord's Table*

*We believe the Lord's Supper is a symbolic act of obedience whereby members in good standing in the local church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming. If you're visiting, you are welcome to partake with us should this be true of you. Finally, if you need assistance while those partaking come forward, please remain seated and an usher will help you.
